“Out of Many, One People”!

Dear Sir/Madam:

The Jamaican American Association of Central Florida, Inc. (JAAOCF) is a 50 (c)(3) non-profit philanthropic organization that has been serving the greater Orlando community for over 30 years. We believe in the unity, wholesomeness and strength of the entire community of families, both locally and internationally. Our motto states: “Out of Many, One People.”

Our mission is to preserve, enhance, promote our cultural heritage; and our focus is on education, youth, community service, and emergency assistance. Each year we provide college scholarships to at least three deserving students. We also provide financial assistance to those areas facing major tragedies and actively participate in many community events. This is why we need your help to continue our many years of philanthropic work of building better communities.

We are especially excited to host our upcoming celebration of Jamaica’s 60th Independence Anniversary Scholarship & Debutante Award Banquet to be held at the reputable Rosen Plaza, 9700 International Drive, Orlando, FL 32819, on Saturday, August 6, 2022 @ 7pm. Our Guest Speaker will be Dr. Dwayne Dyce, Founder/CEO, Education Solutions International (ESI).

As mentioned above, at least three scholarships will be awarded to highly qualified college-bound students. We will also be presenting our Community Service award to an outstanding citizen from the community. This year we are combining our Debutante Ball with this event, where we will be awarding three scholarships. As you can see, we will be awarding at least six scholarships in all.

We are anticipating over 300 guests at this banner event and a distribution of over 200 journals throughout key consumer outlets in the Central Florida region. Again, we invite you to please take advantage of this opportunity to gain maximum exposure for your business by placing an ad in our Journal, while also supporting the Association’s philanthropic efforts.
